Instructions to candidates (Please Read Carefully):

1. **Time allowed:**
   - Reading: 15 minutes
   - Writing: 03 hours

2. **Structure of Question Paper and the Marks Allocation:**

<table>
<thead>
<tr>
<th>Section</th>
<th>Requirement</th>
<th>Marks</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>All questions are compulsory.</td>
<td>40</td>
</tr>
<tr>
<td>B</td>
<td>Only four out of six should be answered.</td>
<td>60</td>
</tr>
<tr>
<td><strong>Total Marks</strong></td>
<td></td>
<td><strong>100</strong></td>
</tr>
</tbody>
</table>

3. **Answers should be in the medium applied for, in the booklets provided.**

## SECTION A

**Objective Test Questions (OTQs)**

Twenty (20) compulsory questions

(Total 40 marks)

**Question 01**

Select the most correct answer for question No. 1.1 to 1.10. Write the number of the selected answer in your answer booklet with the number assigned to the question.

1.1 Office 365 is a service provided by Microsoft Corporation. Of the following, select the correct statement on this service:

   (1) This service is provided using the GNU General Public License.

   (2) This service requires a Monthly or Annual License fee.

Question 05

(a) To navigate the World Wide Web (WWW), web browser software is mostly used.

List three(03) web browser softwares commonly used on Personal Computers using Windows Operating Systems. (03 marks)

(b) **Explain** the function performed by following buttons / features on a web browser:

(i) Home

(ii) Back

(iii) Reload

(iv) Bookmarks

(v) Private Window / Incognito Window

(vi) Addons / Extensions (12 marks)

(Total 15 marks)
Mrs. Sashini Egodage (sashini@iplastics.lk) is the Accountant for **Imperial Plastics (Pvt) Ltd.** She needs to send an email (see message below) to Mr. Hideki Hirakawa (hhirakawa@hitachi.co.jp) who is the overseas marketing manager for **Hitachi Industrial Company**, Japan. The email is on the topic of a new plastic moulding machine which Imperial plastics is interested in. The CEO for Imperial plastics, Mr. M. Imityaz, (ceo@iplastics.lk) has informed Mrs. Sashini Egodage to send a copy of this email to the local representative to Hitachi Industrial Company in Sri Lanka, Mr. Wilson Jayalath (jayalath@gmail.com)

The CEO has further instructed to send a copy of the Design File (which is stored in Mrs. Sashini Egodage’s computer at C:\Images\Design2017.jpg) with this email and has further instructed that a copy of this email should be received by him, but his email address (ceo@iplastics.lk) should not be visible to anyone other than the sender.

Assume that you have to function in the role of Mrs. Sashini Egodage, and that you are using new email software. You are further provided the following information:

- **Address of Imperial Plastics (Pvt) Ltd.** No. 220, Thimbirigasyaya Road, Narahenpita, Colombo 05, Sri Lanka. Tel. / Fax. +94-11-2559600
- **Address of Hitachi Industrial Company**, Japan: 9-932, Shouhokudai 34, Hatsukaichi Shi, Hiroshima Prefecture, Japan. Tel. / Fax. +81-1029 2993 23

**Apply** your knowledge on sending emails to communicate the above information by identifying appropriate text for the boxes marked 1-8. In your answer booklet, you should refer to each box by the number (1-8).

| To: | ............................(1)............................ | (01 mark) |
| CC: | ............................(2)............................ | (02 marks) |
| BCC: | ............................(3)............................ | (02 marks) |
| Subject: | ............................(4)............................ | (02 marks) |

**Dear Mr.** ............................(5)............................

I refer to my previous email on 01.06.2017. Kindly provide us an estimate for the design attached. The technical specifications for the design is also enclosed in the same image. Your quotation should also mention the financial terms, warranty and maintenance schedule for the device as well.

Thanking you,
Yours truly,

............................(6)............................

**Signature Text** ............................(7)............................

**Attachment** ............................(8)............................

(Total 15 marks)
(a) **Explain** the function performed by the following features in Microsoft Word:

(i) Thesaurus
(ii) Track Changes
(iii) Table of Contents
(iv) Page Break
(v) Watermark
(vi) Themes

(02 marks each, 12 marks)

(b) **Explain** the difference between the features “Smart Art” and “Word Art” as found in Microsoft Word.

(03 marks)
