

A passed finalist upon the completion of one year practical Training together with the People & Leadership skills (w.e.f. from 2015 July) can apply for AAT Sri Lanka membership. In order to complete the prescribed (01) year of practical training student can select either of following two schemes of training.

- a. Non-monitored training (Practical Accounting Experience Record form method)
- b. Monitored training (Agreement method) Those who intend to follow Chartered Accountancy course of CA-Sri Lanka, scheme "b" above is recommended, because exemptions are available from CA-Sri Lanka practical training, under that scheme.

If you need further clarification, instructions, or guidance with regard to practical training, Please contact the Education & Training Division
