You may receive information from time to time using the AAT Sri Lanka logo that you can be admitted to classes covering the AAT Course free of charge. Be extremely vigilant! It has now been discovered that although such educational institutes have made it known that classes are conducted free of charge. Those institutes are unable to provide education until you complete the AAT qualification, and that there is no commitment to do so. Do not therefore attend to such “Support Classes” and instead, refer only to the following Accredited Education Centers (AECs), registered with AAT Sri Lanka, coming under its direct supervision.

(Institutions with full registration are marked “F” and those partly registered and expected to receive full registration are marked “P” in the shaded box)
