BECOME A PROFESSIONAL ACCOUNTANT & ACCOMPLISH YOUR DREAM OF EARNING A DEGREE, MASTERS & HIGHER PROFESSIONAL QUALIFICATIONS WITH THE HELP OF AAT IN A FAST TRACK

Dear student,

I wish to send my best wishes for excellent results at the A/L examination. It is our belief that the knowledge & the strength you have gathered through AAT examinations as a student of AAT registered in 2021 would have supported you in facing this examination with much confidence leading to excellent results in the future. It is now the best time that you should think of your next achievement which takes you to a world recognized professional qualification. We are happy that you have already taken that wise decision and entered the AAT path. **This is to invite you to renew your studentship and continue AAT in your preferred language (Sinhala / Tamil / English) until completion.**

CONTINUE AAT AFTER A/Ls & SECURE YOUR FIRST PROFESSIONAL QUALIFICATION AND FAST TRACK EMPLOYMENT

Though many students complete AAT before their A/Ls, we do understand that there may have been some disturbances for you to stay away from **your first professional qualification** temporarily. Don't worry, there is a great opportunity for you to re-join with the prestigious AAT fraternity!

WHY CONTINUING AAT AFTER A/L IS THE BEST OPTION FOR YOU?

- **A full qualification** is only a few months away – If you complete Level I & Level II of AAT in July 2024 Exam, you will be eligible to complete AAT in January 2025 & **become a Passed Finalist (PF) holding NVQ 5 Diploma**. YOU WILL NOT AVAIL OF THIS GREAT ACHIEVEMENT as a young professional in such a shorter period of time with any other professional qualification.
- **Exemptions** from many papers in Level I - Based on A/L subject passes, you can claim exemptions from AAT examinations (if the relevant subjects at AAT have not yet been completed) to fast track your journey.
- Avenues for **higher academic qualifications** - A very limited number of students get admission to state universities. As a reputed qualification, AAT is considered as an entry route in **enrolling for local and international universities**. Your dream of a degree becomes a reality with AAT.
- Highly demanded **career opportunities** - There are many opportunities for professionally qualified people in the market and **AAT ranks the top** when it comes to the start of your accounting career. You will be highlighted among those ordinary students only possessing A/L qualification and therefore you will be given more prominence by the employers.
- Privilege to be a **youngest Professional Member** in Sri Lanka – Once you become a PF & after meeting training requirement, you can apply for **AAT Membership (MAAT)**. The Membership Certificate will be awarded at the **Annual Convocation** which will be held at the BMICH, Colombo. This will no doubt be a great milestone in your life.
